

19th INTERNATIONAL FOUNDRYMEN CONFERENCE

**Humans - Valuable Resource for Foundry Industry
Development**
Split, June 16th-18th, 2021
Student's section

Invitation to Student's section

Dear colleagues,

It is a pleasure to inform you that **19th INTERNATIONAL FOUNDRYMEN CONFERENCE** under motto: **„Humans – Valuable Resource for Foundry Industry Development“** will be held at **June 16th-18th, 2021 at the University of Split Faculty of Chemistry and Technology, Ruđera Boškovića 35, 21000 Split, Croatia.** Magnificent country Croatia, as well as the destination of town Split, promise pleasant environment for the exchange of knowledge and expertise.

Foundry technology as important industry branch represents an important factor contributing to the economic potential of each country. The Conference is a traditional meeting of metallurgists, material engineers, managers and other participants from more than 15 countries. It is organised by University of Zagreb Faculty of Metallurgy from Sisak, Croatia in cooperation with: University of Ljubljana Faculty of Natural Sciences and Engineering, Ljubljana, Slovenia; University North, Koprivnica, Croatia; Technical University of Košice Faculty of Materials, Metallurgy and Recycling, Košice, Slovakia; University of Split Faculty of Chemistry and Technology, Split, Croatia and ELKEM ASA, Norway.

Within the Conference, students are welcome to present their scientific-research work in Student's section. Therefore, you are invited to support this conference by participating with papers done in cooperation with students. I hope that you will recognize this occasion as the opportunity for you as well as for your students to increase the mutual collaboration between students, HEIs' and industry in the field of exchange of information related to advanced experience in foundry processes and technologies, gaining the new experience in presentation and/or teaching process within lifelong learning process.

Students are obligated to present their scientific-research work in the form of oral presentation in English or Croatian language with maximum duration of 10 minutes. All presentations will be presented in front of the International Committee that will evaluate each presentation. **Due to the current situation related to COVID-19, this Conference will be held in hybrid mode, meaning that both onsite and online participation will be welcome.** All students are exempted from paying the Conference fee which includes two lunches and conference materials, but the Gala dinner is excluded. Join us, with your students, in Split to meet international colleagues working in the area of casting materials. All relevant information is available: <https://ifc.simet.hr>. Do not hesitate to contact us if you need any additional information at: foundrystudent@simet.hr.

Important dates: Abstract submission - extended till May 1st, 2021

Program of Student section will be available June 4th, 2021

You're kindly invited to exhibit your interest at: [Registration form for students](#)

Best regards,

President of Organizing Board
of Student's Section:

Asst.Prof. Ivana Ivanić, PhD

President of Organizing Board:

Assoc.Prof. Zdenka Zovko Brodarac, PhD

Vice President of Organizing Board:

Assoc.Prof. Natalija Dolić, PhD
